Tikipunga Panui – 2 August 2019

“SUCCESSFUL LEARNERS - THE ONLY OPTION”

Principal's Kōrero

Kia ora koutou

This week we held our open day for prospective students and whanau. The event was a huge success and a celebration of the educational opportunities at our kura.

Term 3 is without a doubt the term to "knuckle down". Our seniors are working very hard towards NCEA qualifications. Attendance and application over the next couple of months is absolutely vital. We need to give our senior students every possible chance to succeed. Our year 10 classes are preparing for their step up to NCEA. Several year 10 classes have already started NCEA Level 1 mahi. Our middle school are continuing to focus on making accelerated progress.

The next major event on our calendar is our student led whanau learning hui on Wednesday 21st August. These hui are an opportunity for us to celebrate our students learning and look forward together. In partnership we make a difference in the lives of our learners. We look forward to our students sharing their learning journey with you.

Tēnā koutou, tēnā koutou, mauri ora ki a tātou katoa.

SMALL SCHOOL BIG HEART

Celebrating continued student success - "Our mana comes from the success of those around us"

RUGBY ROYALS - Haramai te toki!!! Congratulations to the following Tikipunga High School year 8 students that were selected in their respective representative teams of Whangarei to compete at the Northland U13 Taniwha Shield tournament that was held at Waipu Rugby Club in the second week of the school holidays. Grizzlies were the overall winners of the tournament, but all players played with heart and exhausted all energy on the field. Selected players were presented with special invitations to attend trials for Roller Mills on 28th July and 4 August at City Club in Whangarei. Rythm Tauga-Glassie who was selected last year to the Tai Tokerau Roller Mills team has once again been fortunate enough to receive one of those invitations for the Roller Mills trials, 2019. Kia kaha tonu e tama ma !!!!!

SERVICES BUSHCRAFT EXPEDITION - The Services Academy students attended Bush Craft 2019 at Trefoil Park, 10km south of Kaikohe, during week 10 of term 2. The purpose of Bush Craft was to continue working on areas from Induction Camp, and introduce navigation and leadership skills, working as an effective team. They were joined by Northland, Kaitaia, Glenfield and St Pauls Colleges. The conditions experienced were some of Northlands most challenging with constant rain and wind which left not one piece of dry clothing or equipment. This however did not dampen their spirits as their infectious positive attitudes rubbed off on the other academies. It was a successful week with team building and positive connections.

Te Manawa Tahī:

Supporting your child's learning

Mā te huruhuru, ka rere te manu.

With feathers, a bird will fly.

Do you have concerns?

Does your child have difficulty speaking, hearing, learning, managing their behaviour or getting on with others?

We can help

Who are we? Learning Support (formerly Special Education) and the RTL Service (Resource Teachers Learning and Behaviour) are working with Early Childhood, Schools and Kura so you can get help for your children as quickly as possible.

What is happening?

Te Manawa Tahī is in various locations in your community (see over). Look for our flag. You can come and have a cuppa and we will talk with you to see how we can help.

When is this happening?

Please see the timetable for information on when and where we will be in your community. From 9:00 am to 2:30 pm Te Manawa Tahī can be visited by drop-in or appointment
